SUPPLIER ACKNOWLEDGEMENT FORM FOR THE MANUFACTURE OF DEFENSE ARTICLES

It is the requirement of McNally Industries, LLC to ensure that its suppliers of defense articles are compliant with U.S. Government export compliance laws and regulations, specifically 22 C.F.R. Chapter 1, Subchapter M Parts 120-130 (the International Traffic in Arms Regulations), to include ITAR Part 122 – Registration of Manufacturers and Exporters.

ITAR Part 122.1(a) states:

“Any person who engages in the United States in the business of either manufacturing or exporting defense articles or furnishing defense services is required to register with the Directorate of Defense Trade Controls. For the purposes of this subchapter, engaging in the business of manufacturing or exporting defense articles or furnishing defense services requires only one occasion of manufacturing or exporting a defense article or furnishing a defense services. Manufacturers who do not engage in exporting must nevertheless register.”

By signing this acknowledgement you are confirming that your company is **aware of and compliant** with the laws and regulations of the ITAR, including Part 122 regarding registration requirements

If you need additional information or assistance, contact Ike Nordrum, Quality Engineer, McNally Industries, LLC at inordrum@mcnally-industries.com.
